

# Getting smart glasses with your Meta vision insurance

**New for 2025!** You can now use your VSP vision coverage for Meta smart glasses. The smart glasses allowance is for **employees only**. One pair per Metamate per calendar year in lieu of your first-pair or second-pair eyewear benefit.

## Glasses? Contacts? Sunglasses? Smart glasses?

Here's what you can use your VSP eyewear benefit for.

If you're in the  
VSP Vision 150 Plan,  
you can get:

**One of the following:**

- Frames (up to \$150) and lenses
- Contact lenses (up to \$150)
- Sunglasses (up to \$150)
- A \$150 allowance toward one pair of Meta smart glasses with or without a prescription\*

If you're in the  
VSP Vision 300 Plan,  
you can get:

### Option 1

**One of the following using your first-pair eyewear benefit:**

- Frames (up to \$300) and lenses
- Contact lenses (up to \$300)
- Sunglasses (up to \$300)
- A \$300 allowance toward one pair of Meta smart glasses with or without a prescription\*

AND

**One of the following using your second-pair eyewear benefit:**

- Frames (up to \$300) and lenses
- Contact lenses (up to \$300)
- Sunglasses (up to \$300)

OR

### Option 2

**One of the following using your first-pair eyewear benefit:**

- Frames (up to \$300) and lenses
- Contact lenses (up to \$300)
- Sunglasses (up to \$300)

AND

**One of the following using your second-pair eyewear benefit:**

- Frames (up to \$300) and lenses
- Contact lenses (up to \$300)
- Sunglasses (up to \$300)
- A \$300 allowance toward one pair of Meta smart glasses with or without a prescription\*
